## March Events

We start out the month of March celebrating one of our favorite authors - Dr. Seuss. Dr. Seuss, aka Theodor Seuss Giesel, was born on March 2, 1904. Dr. Seuss published over 60 books including some of our all-time favorites; Green Eggs and Ham, Oh, the Places You'll Go, Cat in the Hat and How the Grinch Stole Christmas. His books have been translated into more than 15 languages. At the time of his death in 1991, over 200 million copies of his books had made their way into the homes and hearts of readers all around the world. Charlotte will be celebrating this special man's birthday during story hours on Tuesday, March 2 here at the library and Wednesday, March 3 at Marshall Hall in Lake Delton.

## Join the Library Readers Book Club

### Library Book Club Selection

During the month of March the Kilbourn Library book club will be exploring the world of Jane Austen. Jane Austen was an English novelist whose realism, biting social commentary and masterful use of irony have earned her a place as one of the most widely read and most beloved writers in English literature. Her fans today number in the millions and since the advent of motion pictures, her novels have been turned into film at an almost regular pace. Although Jane Austen published a mere six novels, those few works have become the basis for the true romance story since their appearance on the literary scene in the early 1800's.

We invite you to read one or more of Jane Austen's books. We have several books available at the library desk for you to choose from including her novels as well as books written about her. Stop by and pick one up today. The book club meets Monday, March 22 at 6:30 p.m. and Wednesday, March 24 at 1:30 p.m. to share our reading experiences. Too busy to make the meetings? The library offers a second way for you to join the book club. Join us from the convenience of your computer. Just visit the library website at [dellslibrary.org](http://dellslibrary.org) and click on the link for KPL Reads. Join us by blog or in person this month. Everyone is welcome.
