OCTOBER 2009

Summer Leaves...then Fall Fun!

Get Set for Seasoned Saturdays

Saturday, October 3 at 10 am, join us at the library for a wild rumpus party. Charlotte is calling all wild things for party time!

We're celebrating Maurice Sendak's classic book *Where the Wild Things Are* with crafts, games, and more. Don't miss your chance to be wild! The following week, Saturday, October 10 at 10 am, be sure to get your booty to the Lake Delton School for YO-HO-HO Pirate Day. Sail into the school for a swashbuck-

ling good time with pirate stories, games, and crafts.

Saturday, October 17 at 10 am, it's Movie Day at the library.

This month's movie is *Monsters vs. Aliens*.

When a meteorite hits a young girl and douses her with alien liquid it turns her into a 48-foot monster. Follow her adventures as she tries to save the earth from aliens in this fun family movie. We'll bring the popcorn.

Saturday, October 24 from 10 am to 1 pm, be sure to catch the craft craze with Kris. Participate in creating beautiful works of art from ordinary leaves. All supplies are provided and all ages are welcome.

Saturday, October 31 at 10 am is Family Fun Day and you are in for a special (trick or) treat! Join us for a Halloween Party library style. There will be games, crafts and treats. Gather all your goblins and come for the fun.

October Story Hours

Story Hours will resume in October. Tuesday morning story hour will be held here at the library and Wednesday morning story hour will be held at Marshall Hall in Lake Delton. Both story hours begin at 10:15 a.m. Join Charlotte for a new season of stories, games, puppets, crafts and songs.

Special Halloween Story Hours will be held Tuesday, October 27 at the library beginning at 10:15 am. and Wednesday, October 28 at Marshall Hall in Lake Delton beginning at 10:15 am. Children (and adults!) are encouraged to wear their costumes and join in the spooktacular fun.

Pleasantly Puzzled

"Puzzlement", a sculpture made from recycled materials by Sauk County artist Mona Marks is on display at the Kilbourn Public Library. It was the 2009 winner of Encore Art!, an exciting show featuring 57 works made of recycled materials. This show was hosted by the Sauk County Art Association in conjunction with the 2009 Sauk County Earth Day and Energy Fair held at UW Baraboo/Sauk County last April. "Puzzlement" was created using secondhand puzzles, National Geographic magazines, puzzle boxes, tomato cages, and wire. Be sure to stop in and see this delightful fantasy figure. The sculpture is being made available in hopes of inspiring creative reuse of materials by people of all ages. In addition to the sculpture the library will also have on display and available for checkout books, movies and other materials on recycling, reusing and saving energy. Among these items is a Kill A Watt electricity usage monitor that can be checked out and taken home to assess the energy efficiency of your home appliances. Also available are the "PowerHouse" episodes on DVD. Alliant Energy's "PowerHouse" is an educational program designed to help you improve the energy efficiency, safety and comfort of your home. The electricity usage monitor and the "PowerHouse" DVDs were donated to the library by the Alliant Energy company. Stop in the library and check out our new display.

Important Future Dates

The library and bookmobile will be closed the first week of November for our annual inventory. Due to software conflicts there will be no checkouts, including hold pickups during this period. No items will be due during this week. We will be closed Monday, November 2 through Saturday, November 7. We will reopen on Monday, November 9. Please plan accordingly.

We will again have lots of books, videos, DVDs, CDs, cassettes and more, at great prices. The sale will be held Saturday only from 9 am - 4pm. The Friends will also be donating sale proceeds to help fund the library expansion project. Help the Friends help the library and shop the library book sale.

Library Book Club

This month the library book club is reading *The Girl Who Loved Tom Gordon*, a book Wikipedia calls "a psychological horror novel". It is October after all! This novel is written by Stephen King, the man known internationally for his contemporary horror fiction books and screenplays. King has crafted a story about a young girl who gets lost in the woods where her only link to the outside world is her

radio and her love of the Boston Red Sox. This book will hold you captivated until the end. Join us as we celebrate this haunted month with a book from a world renowned author of the horror genre. The book club meets the 4th Monday and Wednesday of each month. New members are always welcome. We will be meeting Monday, October 26 at 6:30 p.m. and Wednesday, October 28 at 1:30 p.m.
