National Library Week

Help us celebrate National Library Week April 12-18! The theme this year is: **Unlimited possibilities @ your library.** The Kilbourn Public Library joins libraries in schools, campuses and communities nationwide in celebrating National Library Week, a time to highlight the changing role of libraries, librarians and library workers. Libraries today are more than warehouses for books. Instead, libraries and librarians are change agents within their communities—transforming lives through innovative educational resources and forward-thinking programming. The library has always been a place of unlimited possibilities. Whatever your interest or need, the library and the library staff are here to provide you the resources you need to accomplish your goals and dreams. Celebrate libraries by joining in during National Library Week.

Book Club

For April, the book club will be reading *Ordinary Grace* by William Kent Krueger. This novel is set in Minnesota in 1961. It was a time of innocence and hope for a country with a new, young president. But for thirteen-year-old Frank Drum it was a grim summer in which death visited frequently and assumed many forms. Accident. Nature. Suicide. Murder. Told from Frank's perspective forty years after that fateful summer, *Ordinary Grace* is a brilliantly moving account of a boy standing at the door of his young manhood, trying to understand a world that seems to be falling apart around him. We will be meeting to discuss the book on two different occasions. You are welcome to join us either **Monday, April 27 at 6:30 p.m. or Wednesday, April 29 at 1:30 p.m.**
