## JULY BOOK CLUB

The Kilbourn Public Library Book Club is reading *We Are All Completely Beside Ourselves* by Karen Joy Fowler for the July book selection. From the author of *The Jane Austen Book Club*, this is the story of a middle class American family, ordinary in every way but one. But that exception is the beating heart of this extraordinary novel.

Pick up a copy of this book at the library or on the bookmobile and join us in July for treats and to discuss this engaging book. The Miami Herald says "this brave, bold, shattering novel reminds us what it means to be human, in the best and worst sense."

The book club will be meeting on **Monday, July 25 at 6:30 p.m. and Wednesday, July 27 at 1:30 p.m. at the library.** We will also meet on **Monday, July 25 at 12:30 p.m.** at the Frank Fischer Center in Lake Delton. If you can't make it to any of our discussions, join the discussion online on our book club blog at <http://kplbookclub.blogspot.com>.
