MAY
BOOK
CLUB

This month the book club will be reading Vanessa Diffenbaugh's novel *The Language of Flowers*. A mesmerizing, moving, and elegantly written debut novel, *The Language of Flowers* beautifully weaves past and present, creating a vivid portrait of an unforgettable woman whose gift for flowers helps her change the lives of others even as she struggles to overcome her own troubled past. After a childhood spent in the foster-care system, Victoria Jones is unable to get close to anybody, and her only connection to the world is through flowers and their meanings. Now eighteen and emancipated from the system with nowhere to go, Victoria realizes she has a gift for helping others through the flowers she chooses for them. But an unexpected encounter with a mysterious stranger has her questioning what's been missing in her life. And when she's forced to confront a painful secret from her past, she must decide whether it's worth risking everything for a second chance at happiness. The book club will be meeting to discuss this book on **Monday, May 23 at 6:30 p.m. and Wednesday, May 25 at 1:30 p.m. at the library.** We will also be discussing the book at the Frank Fischer Senior Center on **Monday, May 23 at 12:30 p.m.** Everyone is welcome to join us for discussion and treats.
