Children's Book Drive

The Kilbourn Public Library is once again partnering with the Wisconsin Dells Literacy Council to hold a children's book drive. Here at the library we know that a book in a child's hands can be something akin to magic. Books can take them anywhere, teach them new things, and become their most dependable friends. Help us spread the magic this year by donating new or gently used children's books to be distributed to children in our community. The Wisconsin Dells food pantry will be assisting us in getting the books to local families. Share the magic of reading and the holidays and give the Gift of Reading. Books will be collected here at the library through **Thursday, December 15**.
