## STAY SAFE!

The CDC recommends these steps to keep you and your family safe from COVID-19

- Wash your hands often (for at least 20 seconds)
- Avoid close contact —stay at home if you can! Keep at least 6 feet of distance from people if you can't stay home
- Cover your coughs and sneezes with a tissue or your elbow
- Wear a cloth face covering if you go out in public
- Clean and disinfect high-touch surfaces daily
- If you experience any symptoms like a cough, fever, or shortness of breath, stay home (except to get medical care)!

## THE LIBRARY IS CLOSED

- Due to the threat of COVID-19, the library, the bookmobile, and the Community Center are closed to the public until further notice. No library items will be due until May 1st.
- Please keep your items; we are not currently accepting your returns.
- But we miss you! We're looking forward to reopening and providing the community with our services once the danger of COVID-19 has passed. In the meantime, check out the resources we have available online!

## TEMPORARY DIGITAL LIBRARY CARDS

Don't have a library card, but still want to take advantage of our online content? No problem! Set up a temporary digital library card by filling out the form at this address: <https://www.dellslibrary.org/virtual-library-card>. Once we're open again, you can stop into the library with an ID and proof of address to sign up for a regular card. Please email [cathyb@dellslibrary.org](mailto:cathyb@dellslibrary.org) if you have any questions or you have a current library card but don't know your PIN.

## EBOOKS

The library has thousands of ebooks and digital audiobooks you can enjoy from the comfort and safety of your own home. Simply go to our website ([www.dellslibrary.org](http://www.dellslibrary.org)) and click the link for Overdrive, our ebook service. Download either the Libby app or the Overdrive app to get started. You can read our ebooks on your laptop, tablet or phone, or send them to your Kindle.

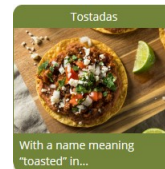

Make sure to log in as a member of Kilbourn Public Library to take advantage of extra copies of books only available to South Central Library System patrons. Note that many literature classics will always be available right away, and Overdrive also keeps a collection of popular "Lucky Day" books you can immediately read.

## DATABASES

Check out the wide number of useful online learning tools we have; everything from car repair to genealogy. From the library website, either click on the database you want on the right-hand side of the page, or hover over "What We Offer" and select "Online Resources." Some of our favorites right now include:

- **Transparent Language Online** - Looking to learn a new language? Transparent Language offers comprehensive language learning courses in over a hundred different languages. It's fun and easy to get started!
- **A to Z Food America** - Are you a foodie? This resource is filled with information on different regional and ethnic cuisines in the US, including recipes!

## LIBRARY BLOG

- While we can't meet in person, don't forget to keep up with our Library Book Club Blog! Tell us your thoughts about March's book, *Furious Hours* at <http://kplbookclub.blogspot.com/>. No previous participation is necessary; we'd love to hear from you!
