February Book Club

For the month of February the Kilbourn Public Library will be discussing Chris Cleave's novel *Everyone Brave is Forgiven*. This is a love story set during the height of World War II in London and the island of Malta from 1939 to 1942. Based on the love letters of the author's grandparents, the story follows a young woman named Mary who is made a teacher by the British War Office. She encounters Allistair, who has enlisted in the Army because of his friend. The two fall in love and are continually tested by the heat and violence of the war in ways they could not have possibly imagined. The Book Club will be discussing this novel on **Monday, February 26 at 6:30 pm and Wednesday, February 28 at 1:30 pm**. Join us for lively discussion and treats. If you can't join us in person visit our book club blog at kplbookclub.blogspot.com. Each month KPL staff will post discussion topics and questions to spark conversation. Join in the discussion by adding a post to our blog.
