BASEBALL ESSAY CONTEST

Spring is coming and along with it the start of baseball season. We are celebrating Opening Day with our 7th Annual Bill Klinger Baseball Essay Contest. Bill Klinger, who passed away in January 2011, loved baseball and his affinity for the game was not lost on his family. In Bill's honor his family raises money each year to provide opportunities for young baseball fans to attend a Brewers game. Students in grades 2 through 6 are encouraged to write a short essay about their favorite baseball player or baseball memory. Two lucky winners will be chosen and they will each receive two tickets to a Brewers game, a gas card and spending money! Essay forms can be picked up at the library or on the bookmobile. The deadline for submitting the essays is Saturday, April 13.

March Book Discussion

The Kilbourn Public Library Book Discussion Group will be reading *Boar Island* by Nevada Barr. Anna Pidgeon, in her career as a National Park Service Ranger, has had to deal with all manner of crimes and misdemeanors, but cyber-bullying and stalking is a new one. The target is Elizabeth, the adopted teenage daughter of her friend Heath Jarrod. Elizabeth is driven to despair by the disgusting rumors spreading online and bullying texts. While trying to deal with the fragile state of affairs—and to find the person behind the harassment—Elizabeth's mother and Anna decide the best thing to do is remove Elizabeth from the situation. So they move to Acadia National Park in Maine to stay with Anna. But the move east doesn't solve the problem. The stalker has followed them. *Boar Island* is a brilliant intertwining of past and present, of victims and killers, in a compelling novel that only Nevada Barr could write. The Kilbourn Public Library Book Club will be discussing this book on **Monday, March 25 at 6:30 pm and Wednesday, March 27 at 1:30 pm**. If you cannot make it to either of these sessions, feel free to join the discussion online at kplbookclub.blogspot.com. **Everyone is welcome!**
