Marching Into Spring

Join us for these great March programs.

Let's Plant A Vegetable Garden!

Spring is coming and along with it gardening season. Whether you have been gardening for a while, or are one of the many families who started growing things during the pandemic, you can grow more, have less work and save money by doing some planning right now! Master Gardener Volunteer Becky Gutzman will share her years of garden expertise with tips on planning for success. We will look at choosing a site and style of gardening, as well as ways to get the whole family involved in growing delicious vegetables. Join us **virtually** for this **FREE** program on **Thursday, March 11 from 6:00 pm to 7:00 pm**. Please register for this free online event by clicking [here](#). We will use your email address to send you the link to the event. The link to register will also be on our Facebook page and website at www.dellslibrary.org. This event is brought to you by The Virtual Project, a collaboration among participating Columbia County Libraries to bring quality virtual programming to our patrons.

Garden Craft & Seed Giveaway

Stop in the library and we will get you even more excited for gardening with a garden craft and a seed packet to get an early start on growing vegetables. You supply the green thumb!

Let's Get Green & Growing

If all this programming really gets you motivated, UW-Extension will also be hosting a free virtual gardening program "Let's Get Green and Growing"! on **March 20 starting at 9:00 am**. This free virtual event will feature a keynote speaker and three breakout sessions. 30 Syllables or Less

In March the Kilbourn Public Library is promoting a minimalist writing project. Express yourself in Thirty Syllables or Less!

Write a haiku, an aphorism or a six word memoir. New themes will emerge each week or share your thoughts on the subject of your choice. The library's Facebook page will be the forum for this endeavor. To share your work, you just simply comment on the original post so we can see and enjoy each other's work.

March Book Discussion: *Lady Clementine* by Marie Benedict

Lady Clementine is the ferocious story of the ambitious woman beside Winston Churchill, the story of a partner who did not flinch through the sweeping darkness of war, and who would not surrender either to expectations or to enemies. Marie Benedict, the *New York Times* bestselling author of *The Only Woman in the Room!* has created a remarkable novel that focuses on one of the people with the most influence during World War I and World War II: Clementine Churchill. Stop in the library or on the bookmobile to pick up a copy of this month's book. This book is also available digitally on hoopla with no waiting. Go to hoopladigital.com to access a copy.

We will be meeting via zoom to discuss this incredible novel on **Monday, March 29 at 5:30 pm** and **Wednesday, March 31 at 1:30 pm**. The links to register for the book discussions are below and will also be on our website at dellslibrary.org and on our Facebook page.
