Many Thanks

November is a month for expressing thanks, and here at the library we are very thankful for our Friends of the Kilbourn Library group, our community partners and you! This year because of the pandemic, the Friends of the Library were unable to host their very popular book sales. Lucky for us we had two great community organizations who sponsored fundraisers for the

library. A big thank you goes out to Nikki Lohr and

Chalet Lanes who graciously held a Giving Sunday Cheeseburger Fundraiser to raise money for the library. Another big thank you to all of you who Rounded Up at

Mauer's Market in the month of September to benefit the library. We thank you and both of these organizations for their generous support!

Each year in November, we usually hold a luncheon honoring our Friends of the Library volunteers who give so much of their time to the library. We won't be lunching this year but wish to send out our sincere Thanks to our Friends!

Virtual Story Hour

Did you know that books, stories, and more are shared on our online Wednesday Facebook posts? Ms. Jody has started a series of weekly alphabet stories with some fun added features. Be sure to search and like Kilbourn Public Library's Facebook page to see a friendly face and enjoy a story hour. Starting in November, Ms. Jody will add felt stories, rhymes and music to the weekly storytime Facebook posts. She will also share some phonics and reading tips for caregivers following each story or book that she reads. Plus, crafts that complement the Facebook stories will be available in the children's area. Come to the library and do the crafts or pick up the crafts to take home. Crafts are also available through our curbside service. Just give us a call to schedule a pickup. Even if we can't meet in person we will continue to provide many wonderful literacy options for you and your family.

November Book Discussion

Queen Bee by Dorothea Benton Frank

Beekeeper Holly McNee Jensen quietly lives in a world of her own on Sullivans Island, tending her hives and working at the local island library. Her mother, a devoted hypochondriac, might be unaware that she's quite ill but that doesn't stop her from tormenting Holly. Holly's escape is to submerge herself in the lives of the two young boys next door and their widowed father, Archie. Her world is upended when her flamboyant sister Leslie returns to the island and both sisters, polar opposites, fixate on what's happening in their neighbor's home. Is Archie really in love with that awful ice queen of a woman? If Archie marries her, what will become of his little boys?

Queen Bee is a classic Lowcountry Tale—warm, wise and hilarious, it roars with humanity and a dropperful of whodunit added for good measure by an unseen hand. In her twentieth novel, Dorothea Benton Frank brings us back to her beloved island with an unforgettable story where the Lowcountry magic of the natural world collides with the beat of the human heart. We will discuss this novel twice this month, **Wednesday, November 25 at 1:30 pm and Monday, November 30 at 5:30 pm.** Due to COVID-19 the discussion will take place virtually rather than in person. Watch our website and Facebook page for more information.

KPL StoryWalk

The library has a new StoryWalk for you to enjoy! Come meander through our outdoor patio spaces and read the delightful children's book "How Do Dinosaurs Get Well Soon?" by Jane Yolen and Mark Teague. Our StoryWalk is an innovative and delightful way to share a story with your children or friends. This timely tale about *dinosaurs getting sick* and what they *should* do, and what they *do* do when it happens is fun for all ages.

Following the Story Walk stop inside for a dinosaur craft, which you can either do at the library, or take home with you to make later.

StoryWalk® was created by Anne Ferguson of Montpelier, VT. It has developed with the help of Rachel Senechal, Kellogg-Hubbard Library.

Holiday Ornament Making

The holiday season is fast approaching and we are here to help you get ready. Join us on **Thanksgiving Saturday, November 28 between 10 am and noon** to take part in our Annual Ornament Making. We will have supplies for several different ornaments. You can make your ornaments here in our socially distanced spaces or take supplies home to make your ornaments there. Ornament supplies are also available for curbside pickup. All supplies are provided and all ages are welcome to attend.

Medicare Open Enrollment Assistance

Medicare Part D and Medicare Advantage Plans can change their premiums, co-pays, and other plan details each year. To help you navigate this landscape, the library will be hosting an Elder Benefit Specialist on **November 9, 2020**. Elder Benefit Specialists provide FREE accurate non-biased information and assistance. To schedule an appointment for November 9, contact **Serena Robson**, Elder Benefit Specialist, Columbia County Aging and Disability Resource Center, at **608-742-9210**.
