October Book Discussion

The book selection for October is *An American Marriage* by Tayari Jones.

Newlyweds Celestial and Roy are the embodiment of both the American Dream and the New South. He is a young executive and she is an artist on the brink of an exciting career. But as they settle into the routine of their life together, they are ripped apart by circumstances neither could have imagined.

This stirring love story is a profoundly insightful look into the hearts and minds of three people who are at once bound and separated by forces beyond their control. *An American Marriage* is a masterpiece of storytelling, an intimate look deep into the souls of people who must reckon with the past while moving forward - with hope and pain - into the future. This month we will meet on **Monday, October 28 at 6:30 p.m. and Wednesday, October 30 at 1:30 p.m.** Everyone is welcome to join us for discussion and treats. If you can't join us in person, post your comments on our book club blog at <http://kplbookclub.blogspot.com>.
