## October Book Discussion

The book selection for October is *An Anonymous Girl* by Greer Hendricks & Sarah Pekkanen. Looking to earn some easy cash, Jessica Farris agrees to be a test subject in a psychological study about ethics and morality. But as the study moves from the exam room to the real world, the line between what is real and what is one of Dr. Shields's experiments blurs. *An Anonymous Girl* will keep you riveted through the last shocking twist. We will be discussing this thriller two times this month on **Monday, October 25 at 5:30 pm** and **Wednesday, October 27 at 1:30 pm**.
