## October Book Discussion

**How the Word is Passed** by Clint Smith is the UW Go Big Read book selection for 2022-2023 and our October Book discussion. This compelling #1 New York Times bestseller examines the legacy of slavery in America and how both history and memory continue to shape our everyday lives. Clint Smith leads readers on an unforgettable tour of the monuments and landmarks that are honest about the past and those that are not. This offers an intergenerational story of how slavery has been central in shaping our nations collective history and ourselves. We will be discussing this book twice in the month of October: **Monday, October 24 at 5:30 pm and Wednesday, October 26 at 1:30 pm.** Everyone is welcome to attend.
